Time: 8:30 a.m. - 4:00 p.m.

Registration opens at 7:30 a.m.

Location: Stewart Center- Purdue University
128 Memorial Mall West Lafayette, IN 47907

The Stormwater drainage conference is a signature event in the Indiana LTAP training calendar. This annual conference is only possible with the support and devotion of the Stormwater drainage planning committee, the Indiana Association for Floodplain and Stormwater Management, the Indiana County Surveyors Association, the Indiana MS-4 community and all our engineers, designers, planners and practitioners. Lunch will be provided. PDH/CEU will be available to licensed land surveyors and engineers..

Who Should Attend

- If you have a drainage project for the state, the city, or the county
- If you are responsible for designing, constructing or maintaining stormwater drainage systems
- If you are a professional interested in floodplain and stormwater management in the State of Indiana
- If you are responsible for inspecting ore reviewing drainage projects

You will find the Stormwater Drainage conference is the place to share ideas and foster innovation. The conference will be an invaluable part to your annual training and professional development.

New for 2018!

The general sessions will be streamed live from Fowler hall to the exhibitor room in Stewart center and to your mobile devices. Details will be available at registration, don't forget to bring your tablet and earbuds if you would like to enjoy the general session on the go. Purdue University is an equal access/equal opportunity university.
