

Indiana Association for  
Floodplain and Stormwater Management  
*Promoting sustainable floodplain and stormwater management*

**INAFSM BOARD MEETING – MAY 10, 2019**  
**Stormwater Committee Report**  
Amy Harvell, Chair

**MCM3 Group: Illicit Discharge Detection and Elimination**

Dana Wilkinson (Monroe County)

- Joint presentation with MCM 4 & 5 Group accepted for conference.
- 2019 Goal: Posting a map online that provides contact information for members, vendors, and services. ASFPM will host the map data on their ArcGIS Server.
- Gathering information for map.
- Waiting on assistance from Matt Rummel and Dave Knipe to move forward.

**MCM 4 & 5 Group: Construction Site Inspectors**

Dennis Nail (Banning Engineering)

- Joint presentation with MCM3 Group accepted for conference.
- 4/10/19 Last Meeting – Columbus, IN to discuss polymers. Meeting was well attended.
- 6/12/19 Next Meeting – Monroe County on post construction basics, inspections, and reviews.
- 8/14/19 Meeting – Delaware County on skimmers.
- 10/16/19 Meeting – Wessler Engineering on new technologies to support erosion and sediment control site inspections.

**MCM6 Group: Good Housekeeping & Pollution Prevention**

Amy Harvell (Wessler Engineering)

- Shop poster for Municipal Activities posted on webpage.
- Under Group review: Developed a list of questions for MS4s to use for training and surveys.
- Under Development: List of questions for to send to INAFSM members on MCM6 Group activities to be used to develop a presentation on surveys for conference. To gather after the MS4 Annual Meeting.
- Presentation on how to develop surveys accepted for conference.

**General Items:**

- Update INAFSM – Stormwater Committee webpage. Change from Sarah to Amy.
- Amy to discuss with Dennis on possibility of using INAFSM conference call line for meetings so people can hear the discussion if they can't attend the meeting.
